

**GREAT SHOTS BACKYARD BAR & GAMES IS THE WORLD'S FIRST CORNHOLE CENTRIC, BACKYARD THEMED SPORTS BAR.**

We offer 15k sqft of games, drinks, and some of the best damn people you'll ever meet. Many locations have included cornhole to their existing platforms to increase revenue, but GS is designed BY players, FOR players. Allowing maximum enjoyment, playability and exposure for the nation's fastest growing sport.

We are a veteran owned business that focuses on community outreach, giving back and offering a safe place for our neighbors to put their phones down and meet others in their community. We are a military and first responder friendly business that places high value on those that dedicate their lives to serve others.
